In Memory . . .

On April 8 the community of Hartford and the students of Hartford High School were saddened to learn of the death of former superintendent and friend, Len Brittelli. Mr. Brittelli was born in Kenosha where he lived for 18 years. He experienced teaching, coaching, being a principal and superintendent in many other schools besides Hartford. He taught in Almond (WI), Johnson Creek, and for fourteen years served at Boscobel High as business teacher, coach, principal and superintendent. He was also district superintendent of Greenfield for two years, Two Rivers for two years, Beloit for nine years and Waupaca for five years.

He came to Hartford in 1975 as district administrator and superintendent, replacing Dr. Joseph Rost. He continued to serve Hartford for six years and ended his career with a resignation as of July 1, 1980.

Mr. Brittelli graduated from Kenosha Bradford High School in 1938, received a bachelor's degree in Education from UW-Whitewater in 1942 and completed his graduate work with a Master's in Education from UW-Madison in 1950.

When Mr. Brittelli came to Hartford he set out to bring education "back to the basics." The required courses for graduation are much steeper now than they were back then. He was responsible for some of the enrichment courses offered to students who wish to better their education and for many of the remedial courses offered to students in Special Education.

Mr. Brittelli was involved with the Citizens Educator Council, a liason group between the community and the board, which is made up of students, teachers, board members and some members of the community. The council reviews policies of the board and recommends changes in school policy each year.

He could also be given credit for making the high school diploma mean more. Competency based tests were initiated with his support after the 1978 school year, making sure the students who do not have basic skills take remedial courses to develop them before going out into the working world. Education, community and civic groups had the honor of Mr. Brittelli's contributions. The American Association of School Administrators, the Hartford Rotary Club and the Hartford Memorial Hospital Corporation board of directors are just a few of the groups Mr. Brittelli was a member of. He was recognized as a competent superintendent and district administrator. He was also a business teacher and one of the most successful coaches in many of the schools he taught in.

The students of HUHS have lost a fine man. The work he has done for the school has benefitted the entire community and will be appreciated for years to come.

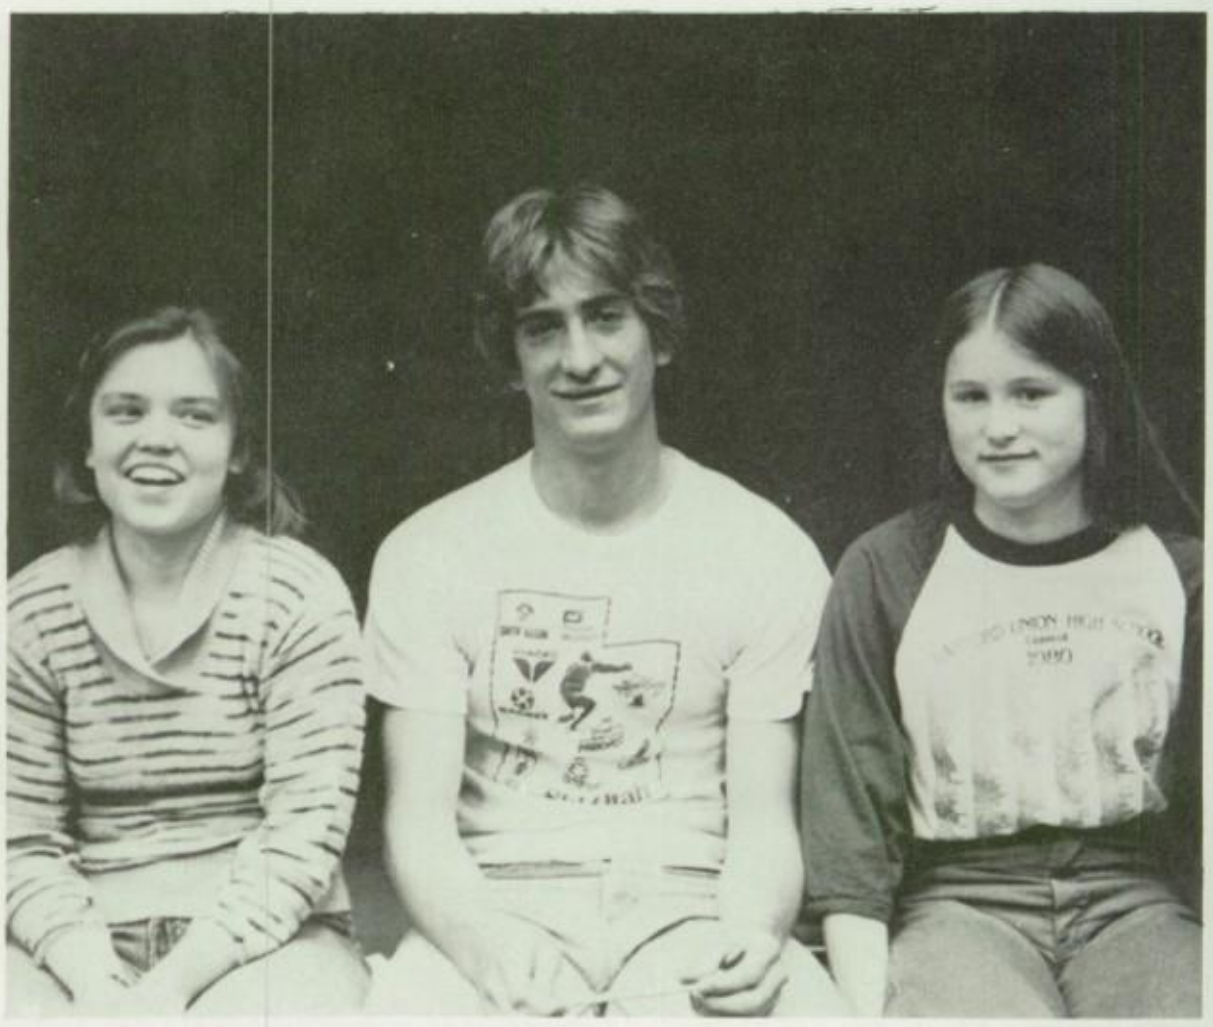
Student Council

This year's council was one of the more productive. During the summer President Sean Donahue, Vice-President Kim Berenz, Secretary Jodi Halsey, and Treasurer Jim Smith met to write a new constitution. It was passed unanimously in October of 1979. Homecoming and its decorations was one of the best ever, featuring "Raging Fire" as the theme. For Christmas, the council initiated a new program and helped a canned food drive for the needy of the area. The thirty boxes of canned goods were distributed through the Social Services of West Bend. The spring brought the annual blood drive, with yet another record number of pints donated. The United Way drive netted $400.00 given from the council to the United Fund, with profits from a raffle and Diamond grab. In addition to the concession stand, the council hopes to re-establish a bookstore to serve the students. The year ended by ratifying six amendments to the constitution which will help the council work more effectively next year.



Student Council Officers; Kim Berenz, Vice President, Sean Donahue, President, Jodi Halsey, Secretary and not pictured, Jim Smith, Treasurer.

Laura Thompson, co-chairperson of the Blood Drive, helped with the registration of the donors. The Blood Drive, run through the American Red Cross with the assistance of the Student Council obtained 153 pints of blood donated by HUHS students and staff members.

Debate

Debate is an activity designed to develop oratory skills for young men and women. Along with oratory skills, the students become more proficient in handling the complex areas of communication known as speech. This is done through competition with other schools. Students in debate either use a positive or negative stand on a universially accepted topic. This position must be based on factual information for support. This year's debate team had a new coach Mr. Bradley, who came this year from Random Lake.

Main Street Hartford in the early 1900's.

Each year we begin this section with the title "Student Life," and each year you look at this page for a second and go on. Do you ever look into meaning of the title? Probably not, so we will explain.

"Student Life" is YOU! You're the one who makes it possible. Without you and your talents, personality, and cooperation, we wouldn't even have a yearbook.

As we prepared this section, we tried to make it as much a part of everyone in HUHS as we possibly could.

We went out and caught people in action, and worked to put them down on print. But no matter how much the staff put into making this section, we know who made it good.

You see, we can take the photos and put them on pages, but you make them come to life. So this year when you look through this section, don't let it be just another Student Life section. Make it a part of you.

The Issues: From Worldwide To Close At Home, 1980 Was A Year Of Controversy.

The beginning of a new decade has finally come about, and many events have occurred in the past year that have brought memories, both personal and nationwide.

Since two very talented artists are graduating, we've printed a few of their illustrations to show you the many situations that have arisen. Jim Clark received first place in the state Associated Press High School Journalism contest for a selection of editorial cartoons he did this year for the Orange and Black. His cartoons deal with the I.D. situation, the open campus controversy, gas prices, vandalism, and band cutbacks. Chris Wahl has been doing artwork for the yearbook and after graduation will be attending the California Institute of the Arts. This year he artistically expressed his political feelings on such subjects as the Ayatolah Khomeini, the hostages and Iran.

So, as you look at these artistic works, recall the situation that have occurred to make an ending of a decade and a beginning of a new one an eventful time.

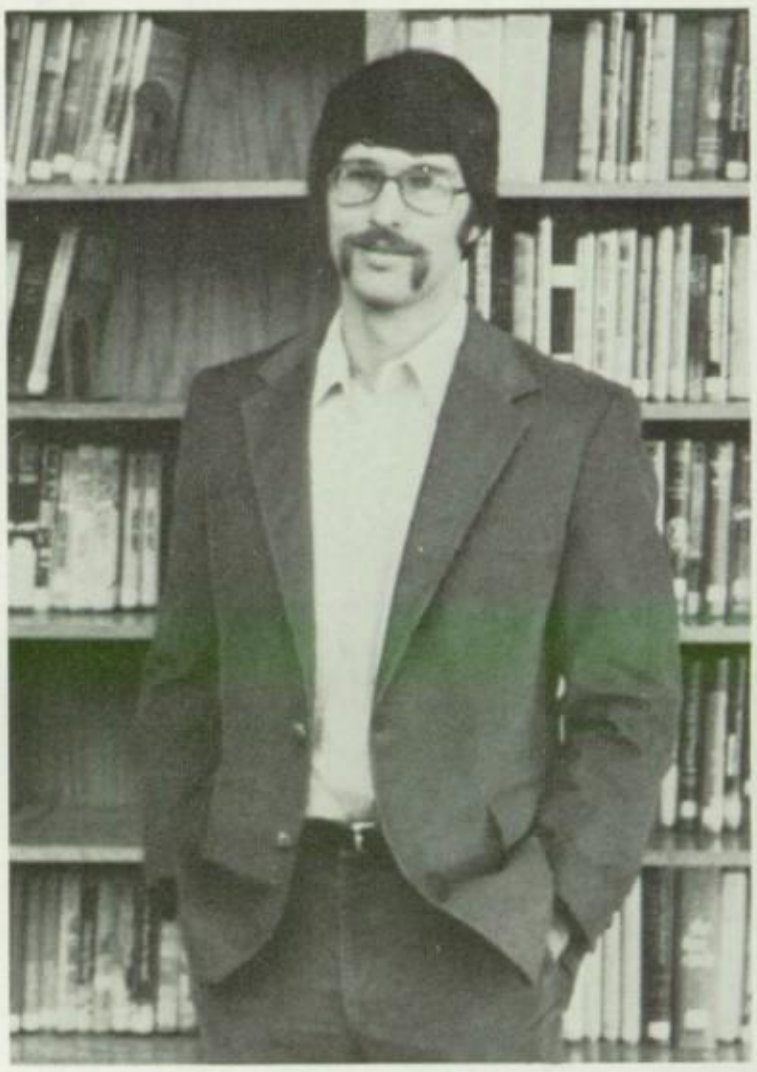
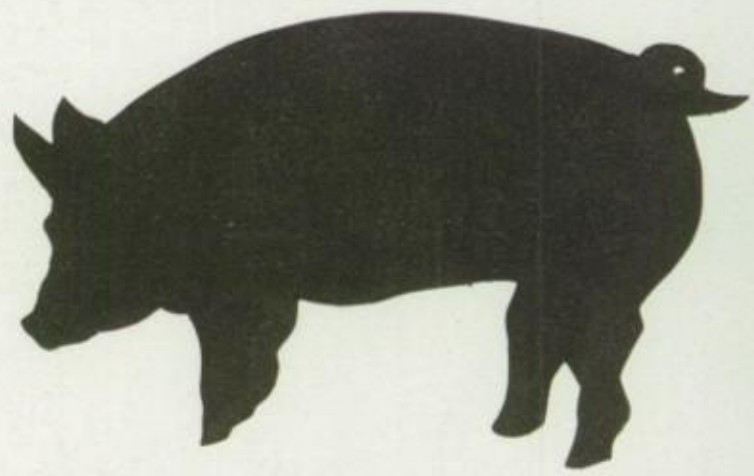
SLOW CHILDREN AT PLAY

Spring Play - The Pigman





The performance dates for this year's spring play, **The Pig Man** were March 20, 21 and 22. The story takes place in a present day city somewhere in America. It toys with humor and human emotion to manipulate the audience into a drama between two enterprising kids and a lonely widower.

The two kids are Lorraine Jensen and John Conlan played by Angie Mertig and Paul Lehner. In their plot to get money, they get involved with a lonely old man. They soon learn to like him and the three become good friends. Complications add interest to the play, and interwoven deceptions cause problems for the unlikely trio.

The Pig Man cast included: Jack Heinemann as the pig man, Paul Lehner as John Conlan, Angie Mertig as Lorraine Jensen, Dave Eick as Dennis, Brett Klinker as Norton, Laurie Sausen as Mrs. Jensen, and Ann Kindt as Mrs. Conlan. Others in the cast were: Doug Dann, Mark Oswald, Tracy Guelig, Denise Vallee, Sue Turek, Shawn O'Hara, and Kevin Wery. Mr. Brown (middle right) directed the performance.

Spring Art Show

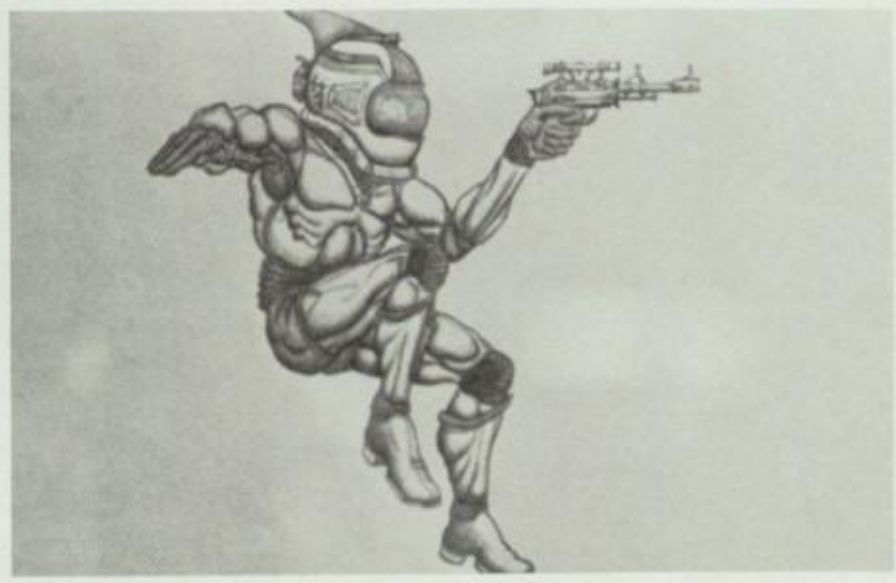
Frog by Paul Danner.



Spaceman by Chris Wahl.

The main attraction of this year's art show, coordinated by Mr. Lidtke, Mrs. Rueth and Mrs. Hanrahan, was Buzz Zimerman and his motorcycles. Although there are others who custom paint automobiles and motorcycles, Buzz's combination of mixing commercial art with auto repair is quite unique.

The whole of the work in the student's domain of the show was well rounded, coming from some 130 students in 15 art classes, and ranging in both 2 and 3 dimensional media.

Sadie Hawkins

Spring got off to a good start with the annual Sadie Hawkin's Dance sponsored by the Junior class. The date for the festivities was Saturday, April 12.

Bobbin was chosen to D.J. that night. The reigning queen and king were Kerry Bracket and Mike Hennes.

Sadie Hawkin's night involved many activities, including sack and tricycle races. There was also a country fair, featuring refreshment booths set up by school clubs. The night turned out to be a memorable experience for the entire school.

D.J. for the night was "Bobbin" of WLPX.

Free Fare

The rock group Free Fare came to Hartford this year, winning the hearts of many girls. At their concert on October 1 and 3, screams could be heard throughout the halls. The band members are Mike Sandberg (Drums), Scott Holmes (Lead guitar), Lee Murkey (Lead singer), John Glaser (Keyboard), and Lighting/sound by Danny Worley. They brought great music and a message of respect for other fans. It was a smashing success.

"Destry Rides Again"

Amidst the table smashing, bottle breaking, saloon fighting, and gunslinging, the town of Bottleneck would have all the elements you'd expect in a dusty western: a saloon and its beautiful dancing girls; rough, tough cowboys; ladies of the evening, and a drunken sheriff who claims Destry will ride again.

Well, Destry did ride again and it was a very entertaining two hours of singing, dancing, and laughter. About forty student actors and actresses spent nearly two months rehearsing for the "Big Nights" of Nov. 9,10,15,16, and 17 under the direction of director Christopher Schoggen, assistant director Tom Zachek, music director Ruth Knoll, and choreographer Noelle Odegard. When those nights finally arrived, the musical was performed with the exhilaration and sparkle that had the house packed each performance, people being turned away from doors three out of the five nights.

Behind the lights of the show, the help of the technical crew members cannot be forgotten. They managed to manipulate the seven different sets designed by art teacher Tom Lidtke on the small stage of the drama lecture hall, so that the show ran smoothly and professionally.

The talents of all those involved in "Destry Rides Again" made it a musical to be long remembered in Hartford.

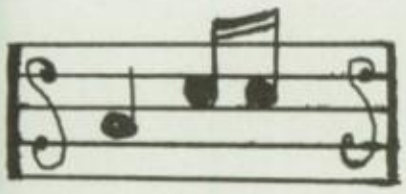
Musical Tastes Of Today,

'Crank Up The Tunes!'



"Hey! Crank up the tunes!" This is a very familiar phrase in Hartford. It seems as if music is the life of our school. Everywhere you look someone is wearing a concert T-shirt or carrying a radio. And the juke box is on every minute of the day, playing everyone's favorite songs. We're crazy about all kinds of music. Everyone has a type to suit his fancy: pop, western, punk, new wave, and of course rock. Some students spend thousands of dollars to perfect their sound systems, buy new albums, and see their favorite groups perform. We have a school full of music, a town full of music, music is in our blood!

Fads And Fashions

In Hartford, it was the year of the "look." We had more fashions than fads this year. Some of the looks you see today are the Punk Look, Rock-n-roll Look, the 40's Look, the Western Look, Preppie Look, Jock Look, and we still see the look of Disco here and there.

Hartford High has come across some new fads this year, too. We have the new baggy jeans, colorful pins (in all shapes and sizes), hats, Mork suspendors, double belts, etc.

Some fashions never seem to go out of style, such as Levi jeans. They only change the style of the cut, from hip huggers with big wide bells to high waisted, straight leg jeans. Hiking boots are seen everywhere as are the Dr. Scholl sandels. Whether it's a fad or fashion, you're sure to see some interesting styles at Hartford High.

One-Act Play

" . . . the vital Importance of Being Earnest," is not only the final line of, but is the theme of this year's one act play, "The Importance of Being Earnest." Under the direction of Christopher Schoggen, this captivating and hilarious play was performed by its cast so well that it worked its way from the district competition to state. This was a great achievement because it was one of only a few plays making it to this level. At the state festival, the judges, after many compliments to the cast, awarded Mr. Schoggen the outstanding director award. The students involved this year were actors Russ Conover, Kristen Edgar, Toni Edgar, John Kindt, Brett Klinker, Laurie Sausen, Emily Schroeder, and assistant director Nancy Wilcox.

"The Magic Of Dancin'"

From the stages of Broadway to those of Hartford High, the modern dancers brought us "The Magic of Dancin'." Under the guidance of Ms. Noelle Odegard, the dancers put much effort into making a perfect show. And it was just that! This year's performance was a fantastic collection of fifteen Broadway dances that dazzled the audience.

Spirited Juniors Look Forward To The Future

The Juniors, class of '81, had another great year starting with Homecoming where they took first place in all competitions. It was the second consecutive year for the Juniors to win the spirit stick and float contests. And the third year they had won the window competition. Besides all the fun, there were also new responsibilities during the year, such as attaining driver's licences and open campus permits. It was also a time for serious thought to be given to the future, as senior year and graduation draws closer. Hopefully, as seniors, the spirit of the class of '81 won't run dry.

Sophomores Return For Another Year At HUHS

The sophomore year is one of involvement as students begin to participate more in school and extracurricular activities. Always a creative group, the sophomores delighted Homecoming fans with their float, entitled "We'll Pocket a Victory," which featured a giant size kangaroo.

As the Class of '82 looks forward to their junior year, they will start choosing more elective classes that will help prepare them for their futures. They have also begun thinking about the many privileges of becoming upperclassmen and anticipate another successful two years.

The Start Of Something New!

The Freshmen started their first year with nervousness and anticipation. Coming from small grade schools to a big high school was a big change, all the people, new teachers, friends, long bus rides and confusion in the hallways. Being in high school meant more freedom, going to plays, football and basketball games, and getting together with friends afterward. Freshman year was just the start of many experiences and memories to come for the class of '83.

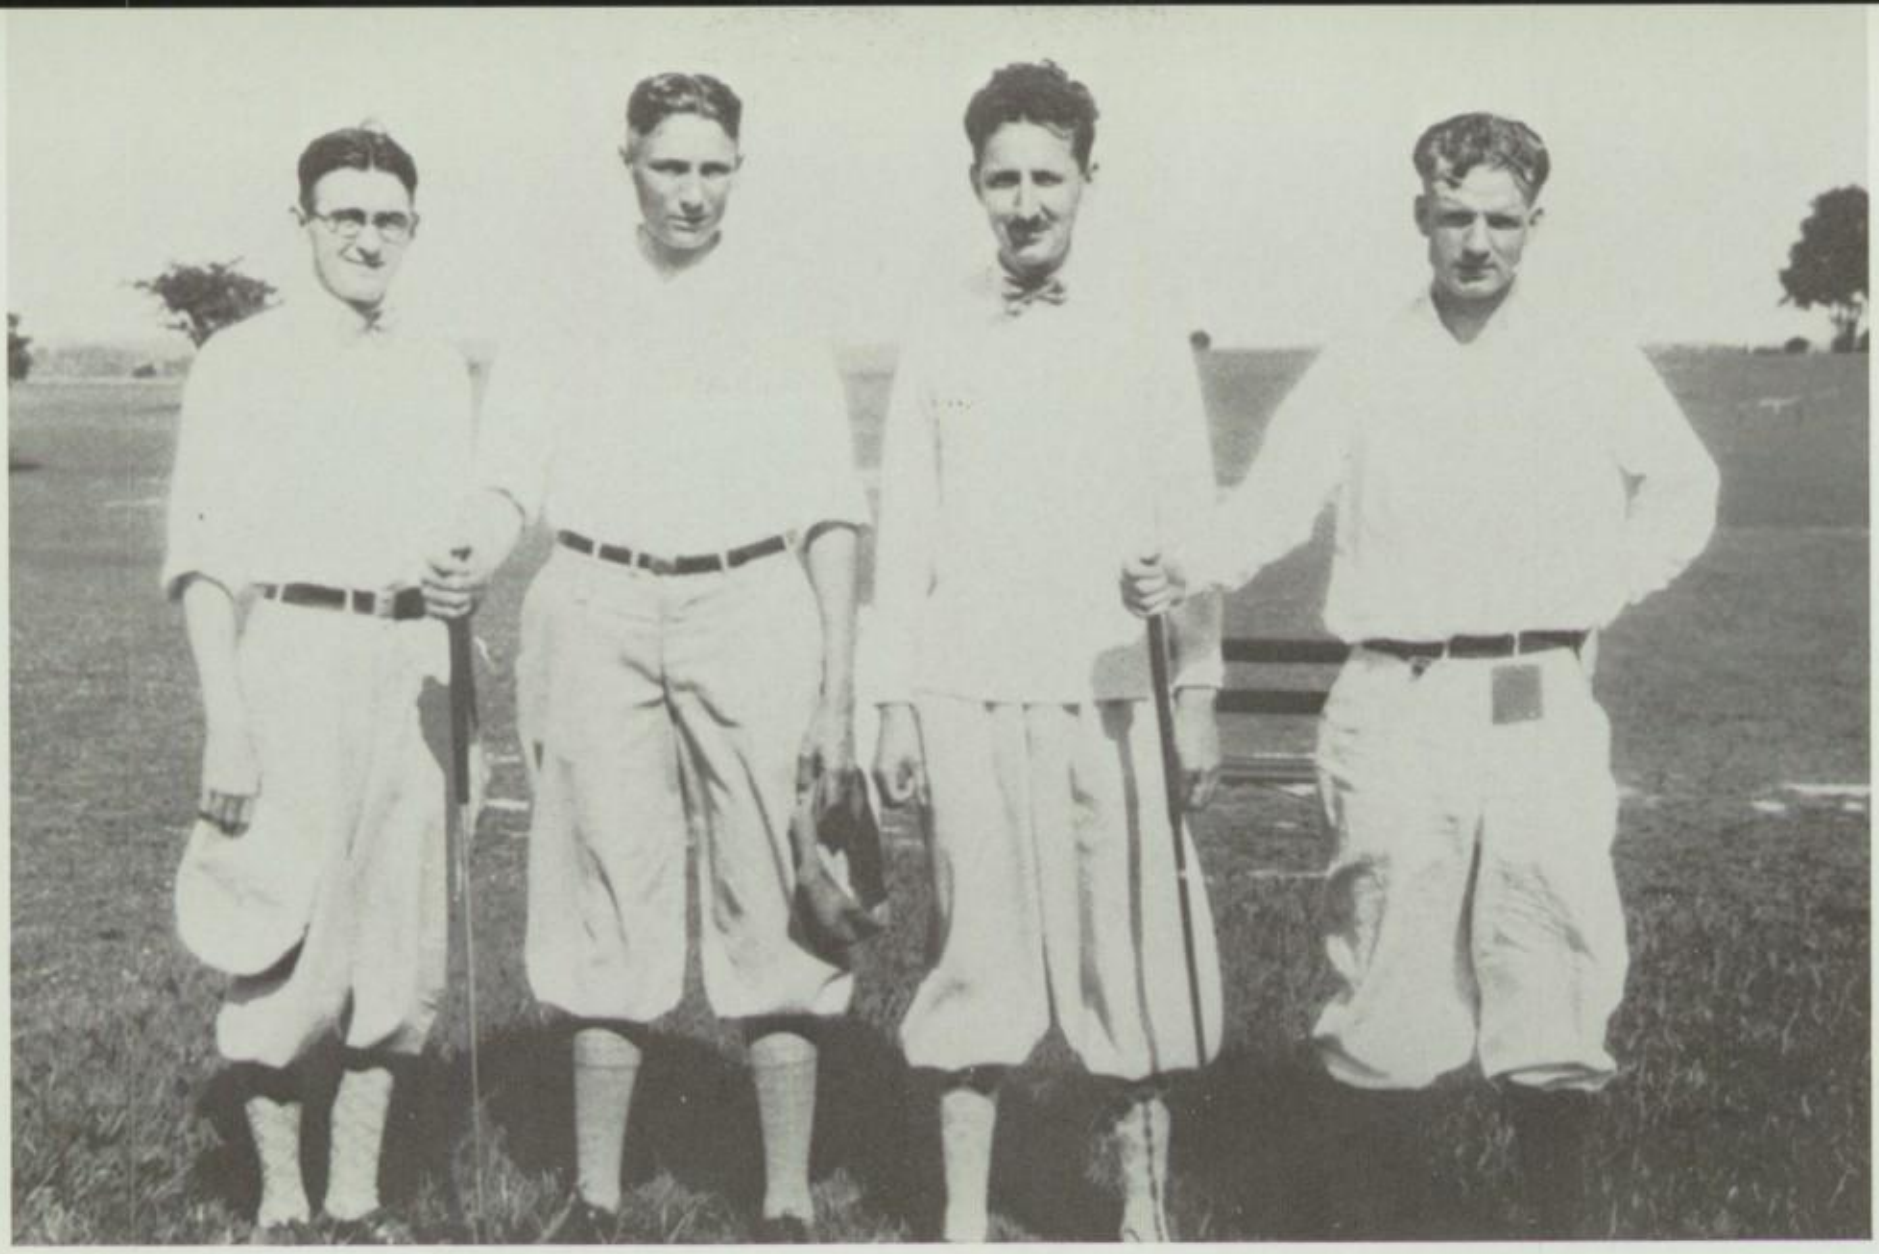
SPORTS

Throughout the century sports have changed considerably, from the sophisticated look of these golfers (opposite page) to the informal and fun-loving Hoola Hoopers of the 1950's. Recreation has evolved so that today there is something for everyone. The Hoola Hoopers have been replaced by the roller skaters and Frisbee throwers, while the more rugged athletes can be seen jogging along the roadways. School sports have become amazingly more advanced. Turn of the century basketball players (upper right) would never have imagined the importance sports would attain in American high schools.



Lack Of Experience And Size

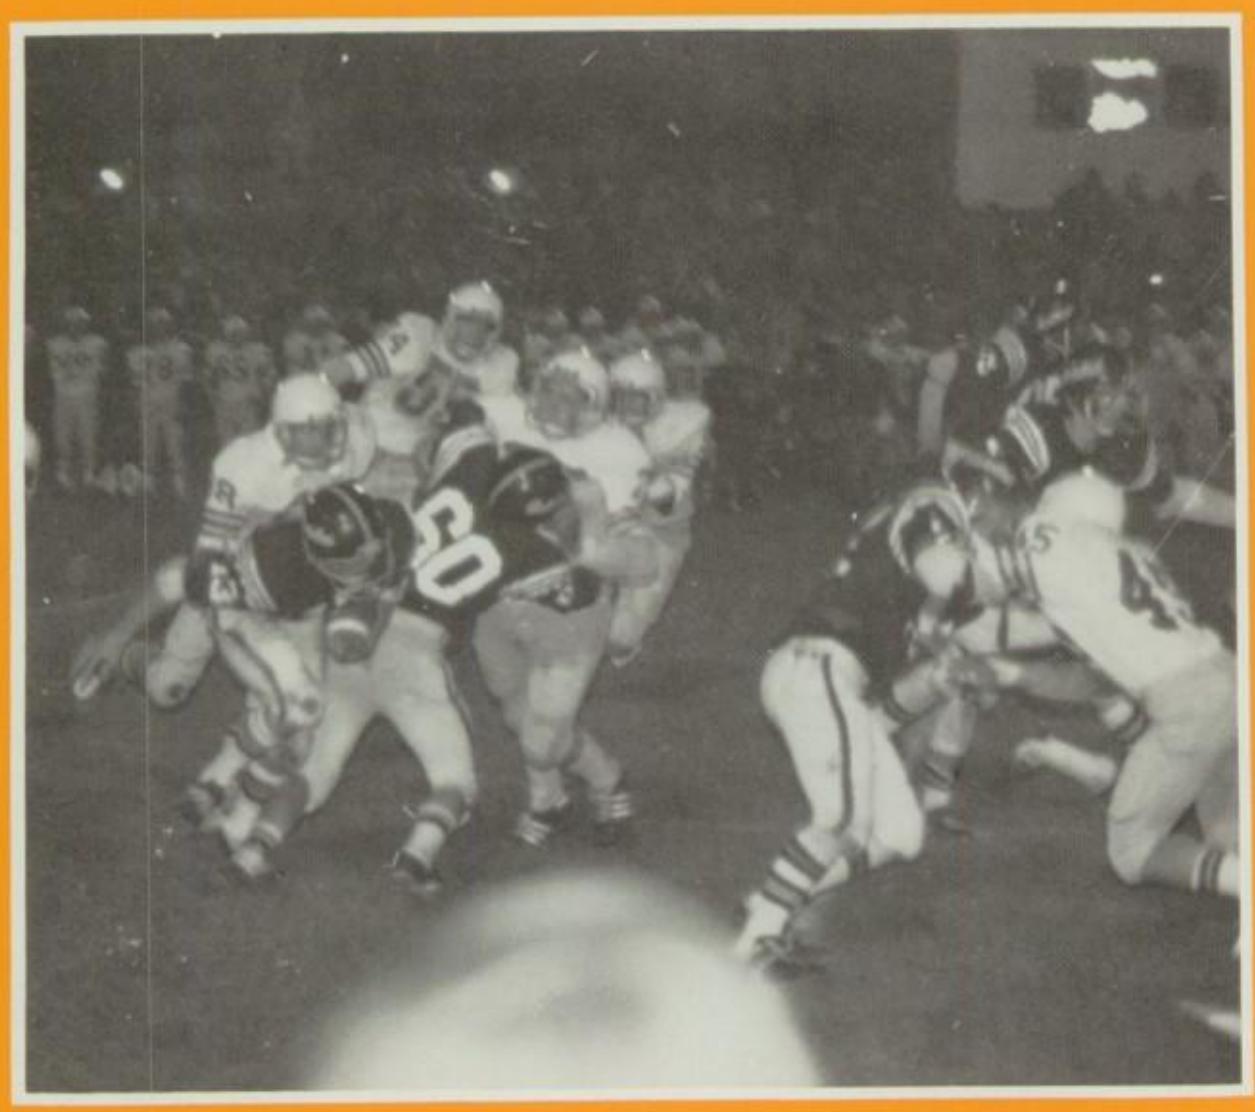
The 1979 football season seemed to lack returning lettermen and experienced seniors. Therefore, it was more of a building, than a winning, season. The Orioles ended up fourth with three wins and four losses in conference play, an overall record of four and five.

Special recognition went to senior Dave Luthi who was selected all-conference defensive back and Ben Bennett who was choosen all-conference punter. Ben also broke two records, punting an average of 40.4 yards per punt in 29 punts. He also had a record punt of 68 yards.



Harvey Dorn puts forth good blocking for ball carrier Tom Clarenbach.

Sophs Have Big Season

The Sophomore class of '82 did very well this year, bringing home the conference championship. The team's record of 8 1, shows that their dedication and team spirit paid off. They suffered only one loss in the season open er against Thomas More, but bounced back to win the last eight in a row. The solid defense of skilled players showed potential for the varsity level in the the coming year.

Three Time Title Winners

The girls varsity swim team began its season with substantial wins and emerged undefeated in the WLT season for the third season in a row.

Four girls qualified for the state meet in the 400 free style relay and the 500 free style. Vicki Schultz and Anne Emmer qualified for both the relay and the 500 free. Vicki placed seventh with a time of 5:39.9. This was Anne's fourth year at state, qualifying with a time of 5:25.0. Unfortunately, she had difficulty with her breathing which forced her to leave the race. As for the relay team (Anne Emmer, Sara Sands, Vicki Schultz, Heidi Scadden), they were seated second and ended up second behind Madison Memorial, with a time of 13:45.33. The team placed 13th overall.

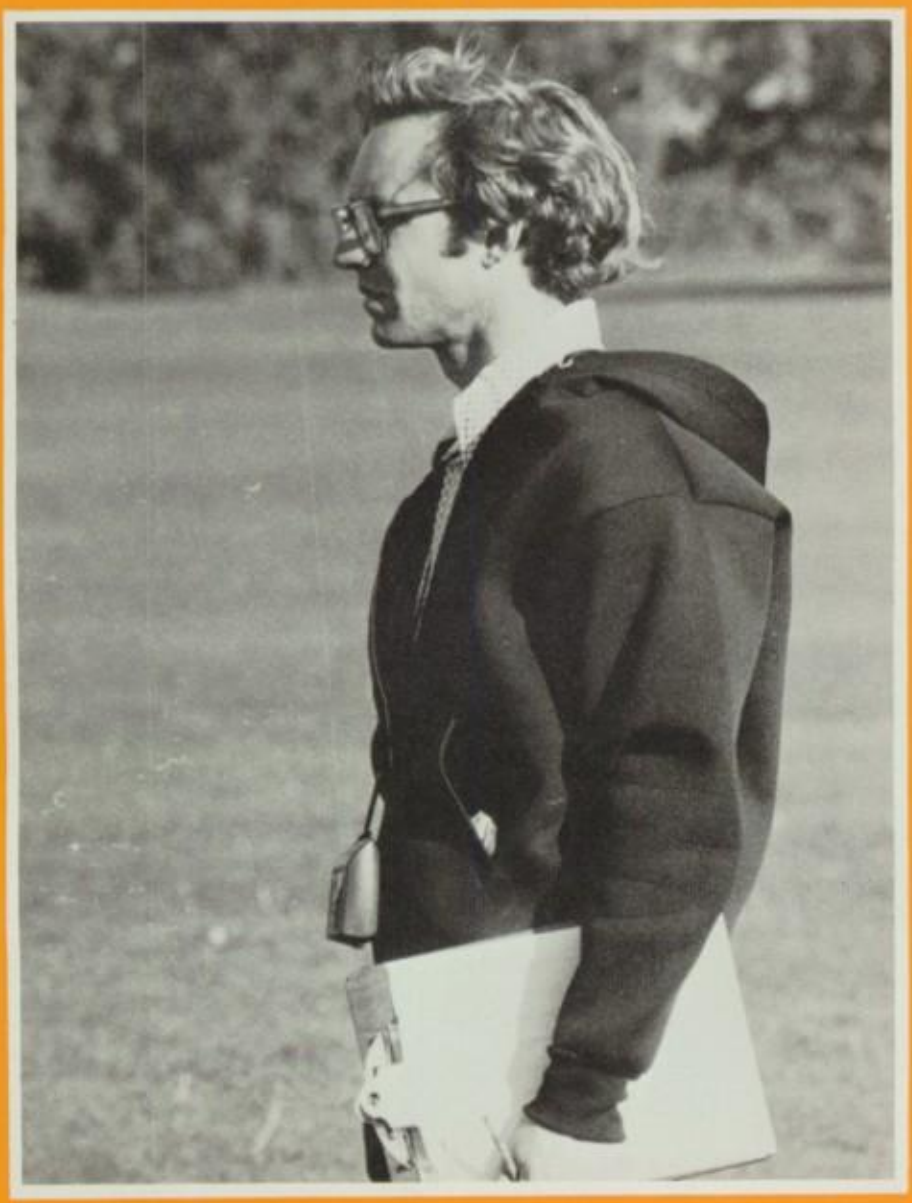
JV Girls Work Hard To Improve



Coach O'Brien watches quietly as the girls compete.

1979 was a very good year for the varsity girls cross country team. They started out strong and with a hopeful feeling that they could put it all together and end the season as conference champions. The loss of some key people, such as Linda Weidmeyer, Jean Bruessel, Toni Edgar and others for a meet or two put their dream out of reach for this season. The team ended the regular season in third place and after the conference meet they dropped to fourth, missing third by only one point.

The girls team has grown in numbers and with skill since 1977 when the first official girls team was started at Hartford with only five members. (The last three of the original five are graduating this year.) In 1978 they had a 10 member team which was just enough for a complete varsity and junior varsity team. This year's team consisted of 7 members on varsity and 9 on junior varsity

This year the Hartford Cross Country took a disappointing third palce in the conference standings. The most disappointing factor was that if one individual time could have been improved by six seconds in the conference meet, the team would have received second in the WLT standings. As it ended, second place went to Oconomowoc and first place was earned by West Bend East. According to Coach Haseleu, "The conference meet was the closest it's been in years. It could have been ours."

This year's varsity volleyball team finished the season with a split, 7 wins and 7 losses. This record took fifth place in the conference standings. The team did not make it past the regionals competition, but they have shown improvem ent from last year when they ended conference play with a 5 and 9 record. Team Effort

Coach Dobson credits the much improved record of the Orioles over last season to two things. First, the Orioles have a much taller squad, with Juniors Brian Krueger and Tim Wagner dominating inside play. Second, and more importantly, the Orioles are are more used to Dobson's system than they were last year, his first year as coach.

Dobson also pointed out the fine individual performances of Pete Langlois and Chuck Thimm as keys to the team's success. "Pete is twice the player he was last year," says Dobson, referring the junior guard who lead the team in scoring. As for Thimm, Dobson states, "Chuck's really come through for us. He's the only senior starter and his experience has helped us immensely."

With many fine juniors returning next year, the Orioles are sure to be a contender again.

The sophomore basketball team had an extremely successful and rewarding season. With many fine players and determination, the team played well together, with several individuals making major contributions to every game. The team ended up as conference co-champs, and had an overall record of 15-3. Co-captains were Jim Beaudoin and Tim Greifenkamp. MVP was Jim Beaudoin. The most improved player was Bob Gutschenritter and Kurt Koenig. Best defensive player was Jim Beaudoin, and team spirit award went to John St. Peter. The team should prove to be much help to an already great varsity team next year.

Leading rebounder was Dan Gehring. With more experience the frosh team should do better in its sophomore year.

Gymnasts Place Third In Conference Competition

Overall, the Gymnastic's Team improved much by the end of the season. They won only two varsity meets and ended up second to last in the conference standings. Placing third in the conference meet, the Oriole gymnasts earned a third place for the season average.

The one factor helping the team improve so greatly from last year was that there was only one senior who graduated. Also, Sandy Wade joined the team and almost instantaneously became varsity all-around. The other all-around, Ann Guarscio, was new to the team last year and has always showed great determination.

Freshman Jeni Rufener shot right up to varsity bars after her second meet, showing great potential for the future. She most likely will go varsity all-around her sophomore year. As she stands only five feet, she became known as the little "mighty might" because she could do almost any move involving strength with relatively little practice.

As the season quickly wound down, the team looked forward to next year as the only three letter winners will be graduating — Kathy Luken, Alicia Von Der Vellen and Mary Algiers. Returning next year to build a predominately senior varsity team will be Juniors, Michele Borges, Mary Stenz, Darlene Daley, Tori Hugo; Sophomore Frances Rattenbach, and Freshman Jeni Rufener.

It's a bird, it's a plane — no, it's Jennifer Steinhilber!

This year there was an overabundance of freshmen girls out for track so they combined the J.V. ad freshmen teams into one. The team had a good season considering many of the girls were not experienced. Next year's team should definitely have potential, because the freshmen have much to contribute.

Girls Contribute Fine Track Performances

Varsity; Vicky Debroux, Sharon Gordon, Sue Renzalia, Vicki Schultz, Laurie Gassen, Lisa Anderle, Janet Halsey; Row 2: Amanda Gochenaur, Connie Krueger, Lori Ackatz, Heidi Scadden, Kathy Fagon, Michele Borges, Lynn Schnorenburg, Linda Weidmeyer, Kathy Benka, Laura Seeley, Deanna Kelly; Row 3: Machele Bitters, Michele Goetz, Toby Wagner, Barb Zingscheim, Julie Rauch, Cindy Borlen, Laura Thompson, Jodi Breitlow, Anne Emmer, Roseanna Sonn, Chris Sonn, Polly Gresenz, Jean Bruessel.

The girls varsity track team had a slow start, but as the season wore on, they steadily improved. At the Gib Mahr Invitational they took first out of six schools, which was the first step towards conference where they took a second. Although many of the team's top members will leave because of graduation, next year's team looks promising because of the fine performances given by the underclassmen.

Varsity Struggles Through Season

The Oriole baseball team was off to a slow start in the beginning of the season. They were unable to generate offensive consistency and suffered from erratic pitching. Later in the season, the Oriole baseball team started to hit well, but they continued their struggle. Still, the young Orioles are building a strong foundation for next year.
